IIBA-CBAP Certified Business Analysis Professional

Overview:

The Certified Business Analysis Professional™ (CBAP ®) designation is a professional certification for individuals with extensive business analysis (BA) experience.
CBAP® recipients are the leading, senior members of the BA community.
IIBA® Business Analysis courses provide official international certifications which recognise professional knowledge and skills within business analysis, helping you boost your career to the next level

What are the benefits of obtaining the CBAP Certification?

• Demonstrates you have the knowledge
• It demonstrates you have the knowledge, competencies and experience as a highly effective business analysis professional.
• Allows you to stand out to employers
• It allows you to stand out to employers and peers by showcasing your dedication to your career and the profession of business analysis.
• Higher compensation

Audience Profile :

Who Needs CBAP Certification?
• Individuals with significant experience in business analysis
• Individuals with a CCBA™ designation
• Product Managers

Prerequisites:

- Complete a minimum of 7,500 hours of Business
- Analysis Work experience in the last 10 years a minimum of 900 hours completed in 4 of the 6 BABOK Guide Knowledge Areas, for a total of at least 3,600 of the required 7,500 total
- Complete a minimum of 35 hours of Professional development in the last 4 years.

Why Learn CBAP Certifications?

Companies have hired more CBAP recipients in the recent years owing to their skill sets and expertise in business analysis.
Also a CBAP designation holder earns more salary than non-credential business analyst. CBAP certified professionals have higher compensation, earn up to 16% more being CBAP certified. Thus, with a CBAP designation, you earn better job opportunity, better income and global recognition.
